Dear Mr. Brandner:

In response to your letter of February 2, 1982, I suggest that you continue working with Mr. Ron Jarman of the Oklahoma Waste Resources Board in your efforts to assemble a bibliography of information relating to the Tri-State Mining area. Since the State of Oklahoma is more intimately involved in this problem than we are, their files are far more complete than ours. Any information that we have is information that Mr. Jarman also has, so any efforts we might make in assembling a bibliography for you would be redundant with Mr. Jarman's.

Please call me if you have any questions. My telephone number is FTS 729-3274.

Sincerely,

Samuel L. Nott, Chief  
Enforcement Section
